Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Examiner contacted the Attorney of Record on November 23, 2004 to verify if a response has been filed to the office action mailed on May 18, 2004. The Attorney couldn't confirm the status of the case instead directed the Examiner to contact a different law firm stating that the case has been transferred to them and no further information can be verified. The Examiner received a call from the new firm confirming the correspondence address change and verifying the request for the case to go abandoned. Therefore, this application is considered abandoned by the applicant for failure to timely file a proper response to the office action mailed on 18-5-2004.
